

# YAMAHA CHOOSES ITP FOR 2006 DEALER SHOW

Yamaha Motor Corporation wanted to make a big splash at its recent 2006 new model dealer show in Las Vegas, especially because it was celebrating its 50th anniversary of doing business in the United States. So, Yamaha came to ITP with a long list of tires and wheels to dress up a wide variety of the ATVs and utility vehicles it was putting on display. Here are a few photos from that show.
